From the East

My Dear Brothers,

Happy New Year!! Thank you for the honor of serving as your Worshipful Master for 2016. I am both excited and proud to be a part of our Lodge and in particular to be a part of your 2016 Leadership Team! Check out each officer's input to the Trestleboard and you too will feel excited by what we will accomplish this year. Industrious learning with a commitment to service as our guide.

Please remember to keep the less fortunate in mind and consider contributing to a local organization like Loudoun Interfaith Relief. There is a donation station set up for canned goods and non-perishable items in the Lodge so please bring that extra can of soup or other extra item from your pantry or the item you purchased just to donate. Make a difference. Be the difference.

It is with deep regret I must inform you that Ashburn Assembly No. 11 will be relocating to Olive Branch Lodge No. 114 in Leesburg. The Ashburn area simply doesn't have a sufficient number of girls to sustain a healthy Assembly. It is hoped that Leesburg will. My Brothers, it is imperative that each of us does a better job of supporting our youth. I firmly believe that if more members of our Lodge had given even a few minutes of their time in support of our Assembly this situation would have been averted. As you find yourself out and about or even not so much, please consider putting in or putting out a good word for our youth. Our support is invaluable! Masons and non-masons with young ladies between the ages of 11 and 20 can learn more about the International Order of the Rainbow for Girls and prospective membership in the Ashburn Assembly No. 11 on these two websites: www.gorainbow.org and www.virginiarainbow.org. Young ladies in the 6-10 age range may join as pledges, and girls younger than 6 may attend "sparkles" events. The Assembly will now be meeting at 4pm on the 1st and 3rd Sundays of the month at Olive Branch Lodge.

Our Junior Deacon, who is a Past Master, was just installed as the Senior Warden of Columbia Lodge No. 285. Thank you Worshipful Brother Dave for providing us with an example of selfless service that we should all be following.

Quote for the month

"Life is not having been told that the man has just waxed the floors."

By Frederick Ogden Nash

WHAT IS FREEMASONRY?

"We're a group of men who meet on the level, act upon the square, and walk uprightly in life. We take good men and make them better by the teachings of Masonry, and work towards brotherly love, relief, & truth."

by our late friend and Brother, Charles Richard (Dick) Walk

Where is the Travelling Gavel?

A long standing tradition in District 2; any Lodge wishing to take possession of it or transfer it must do so at a Tiled Communication, must have a Stationed Officer and 4 members of his Lodge present, it cannot be passed to the Lodge from which it was received and the exchange must be recorded in the minutes. If it isn't transferred within 2 months, the possessing Lodge will donate \$25 to Masonic Home of Virginia Outreach Program for each month beyond the initial 2 until it is transferred. Our Traveling Gavel is currently in the possession of: **Ashburn-Sterling Lodge No. 288 as of 12/8/2015 and was presented by Olive Branch Lodge No. 114.**

Your Officers Thoughts

FROM THE EAST *CONTD. FROM PAGE 1*

This year, instead of our Lodge breakfast being monthly on the 4th Saturday of each month, we will be having them quarterly. They will be at 8:00am on the 4th Saturday of the 1st month of each quarter. So in January (1/23), April (4/23), July (7/23) and October (10/24). We look forward to sharing this time of fellowship with you and your family.

Brothers, please remember that your dues should have been received by the Lodge on or before December 31st, 2015 for you to be current and in Good Standing for 2016. Please remember to fulfill your obligation and pay your dues if you have not done so already.

Summary of December

We put our 2016 Leadership Team in place on December 12th, 2015. We completed 3 Fraternal Visits with programs and your leadership team was present at each election and installation in our district. We also hosted Olive Branch Lodge's installation on December 19th.

On December 20th, we hosted the youth groups at our first Annual Youth Appreciation Holiday Party. It was well attended with over 50 attendees. In addition to the good food, we also had games with prizes and Santa stopped by with treats for the kids. I'd say we have the makings of a really good tradition.

What's happening in January?

We have our Division Leadership Conference on January 9th at Highland School located 597 Broadview, Warrenton, VA. Participation in this event is a required performance task in earning the Hillman Award. Your leadership team will be well represented and we hope you will consider joining us as well.

Continuing our theme of Industrious Learning this year, we will resume the Correspondence Courses Group Class at 6pm on the 4th Tuesday of the each month. See you on January 26th with your materials in hand. The courses can be ordered at <http://courses.vamasons.org/>.

We are hosting the first District School of 2016 on January 27th at 7pm. Come out and invest in making yourself better.

Please see the "Upcoming Events" section on page 2 and join us in the many opportunities you have to receive more light and better yourself as both a man and a Mason. Let us continue being industrious in becoming better together.

In your service I faithfully remain,

Raymon W. Bacchus, WM

SENIOR WARDEN

Happy New Year from the West!

Brethren, I am so excited to kick off this year serving the Lodge from the West. We have twelve months ahead of us, and a great leadership team in place to serve You, our Lodge. Actually, my message this month is about Service. I have an observation, maybe even admission to offer. Brethren, I was not prepared to accept and best utilize the talents of our Lodge. We tell new candidates and new Masons to be involved, to keep coming back, and that the more they put in the more they will get back. And yet, when they show up, we give them so little to own and to execute on. I think we can do a better job, I can do a better job of getting our membership involved.

Brethren, Worshipful Bacchus has put in place 15 various committees to help execute on this years' plan. As your Senior Warden, I am chairing five of them, with the remaining being led by the other Line Officers and Past Masters. Over the next month or so I would like to introduce many of these committees with the permission of their Chairmen. Some of you are already helping on these committees, thank you for that! For those who aren't but want to be involved, please watch your email. My plan is to send out information about our committees and explain the particular types of talent they need. I hope to lay out a case for serving in them. My hope is that by being better communicators of the opportunities that exist to serve, we will empower the Lodge, improve our community and create better men. Serving on a committee is a great way to become involved. If you are working or retired, an active member or moved out of the area, or simply paying dues and reading Trestleboards, please consider this opportunity and watch your inbox.

That's it Brethren, kind of a lengthy message, but I want to paint a picture of my thoughts on this topic and foster an environment of service in our Lodge. Yours in service.

Bro. Martin Z. Gruszka

JUNIOR WARDEN

Brothers: It is an honor to serve you this year as your Junior Warden. It should be an interesting and fun filled year. If I can be of assistance at any time do not hesitate to contact me. In the December 2015 Trestleboard the Master outlined the plan for dinners in 2016. We will be looking for Brothers to volunteer to provide dinner at our Stated Meetings. Already Brothers have stepped forward for January, May, and one other month to be determined. If you are interested in serving your Brothers by providing dinner at one of our Stated Meetings please contact me or one of the Stewards. We stand ready to assist you in any way we can. In February we will have the District Bowling night. This is always a fun night with brethren of the District and those interested in Masonry. Everyone should make plans for this fun evening of fellowship and friendly competition...also we want to make sure that AS288 brings home the District trophy! Again, if I can be of assistance send me an email at junior.warden@ashburnsterling288.org. See you at Lodge! Yours in service.

Bro. Jeffrey L. Sparrow

TREASURER

Happy New Year! Yours in service.

Bro. Jeffrey J. Schwarz

SECRETARY

Brethren, we are well on our way to getting all the dues collected. The Grand Lodge will shortly send us a bill for you to be on our roles (yes, we pay for you to be a member of our Lodge) so we are asking you to fulfill your duties and remit payment as soon as possible. If you need to make arrangements, please notify me as soon as possible. Yours in service.

Jason D. Matchett, PM

SENIOR DEACON

Brethren, I am honored to serve you as Senior Deacon. A duty of the position is to "meet and welcome all attendees at all meetings." Honestly, when I arrive to Lodge after an eight hour work day and one hour commute, I avoid conversation with visitors. I prefer to stack my plate, grab a drink, and munch on chicken (straight off Bro. Kelly's smoker). But that is not fair to the Lodge and to our visitors. I remember when I decided to take the plunge and email the info@ashburnsterling288.org. Some guy named Jason extended an invitation to something called a Stated Meeting. I was nervous. Who doesn't feel anxiety when they walk into the unknown; however, the handshakes and warm welcomes put my feelings at ease. My personal challenge is to give visitors the same warm welcome. I challenge you, even if you are tired, to just say hello. I always see Brothers extend a hand to newcomers so let's keep up the positive vibes. And don't be afraid to point out a visitor when I am woofing down mashed potatoes. Yours in service.

Bro. Jason E. Tayloe

JUNIOR DEACON

As the newest member of the Lodge leadership team, I would like to thank the members for the trust that they have reposed in me, by electing me to this office. Our Called meeting on December 15th was the first time I assumed the chair of Junior Deacon in this Lodge. What a night it was, we welcomed two new Entered Apprentices into the Lodge and I examined Brother Bret Thomas, one of our one-day conferral masons, on his EA catechism. Brother Bret, great job!

I am looking forward to a great year with many opportunities to interact with the Brethren. Make a new years' resolution to attend Lodge this year and get involved. On non-Stated meeting Tuesday nights and Saturday mornings we have catechism instruction and practice for degree work or some other part of ritual and masonic education, so stop by and brush up or to start learning a new part, we always need Brethren to help with instruction or become part of a degree team. Also, it is not too early to think about stepping up and preparing to go into line, Lodge officers are always needed.

If I can be of any help to any Brother at any time, please contact me at my email address listed on page 7. I look forward to meeting and welcoming you at the door of our Lodge this year. Yours in service.

David L. Stoneburner, PM

SENIOR STEWARD

Brothers, as one of our Lodge's newest Master Masons, having been raised at the one-day conferral, it is a great honor for me to be chosen to serve the Brethren this year as your Senior Steward. As this is my first Trestleboard entry, I would simply like to have you remember the lesson of the Beehive, and be productive around the Lodge, at a minimum, by remembering the Golden Rule: Treat others as you would like to be treated. In this regard, keep in mind that it is a fellow Brother who will be cleaning up any messes that are made in and around our Lodge, whether in the bathroom, dining area, or outside. You can help your brothers in many little ways, by sweeping your crumbs off a table, throwing trash away, being careful and neat in the bathroom, maybe offering to taking a bag of trash or recycling after a meeting (if your home trash pick-up is the next morning), or even simply bringing low Lodge supplies to the attention of the Junior Warden or Stewards. All these little things will help keep our Lodge in great condition and allow the Brothers, who will be cleaning up after a meeting to go home at a reasonable hour. I really look forward to being able to serve you, my Brothers, and the Lodge this year. Thank you for the opportunity. Yours in service.

Bro. Bret M. Thomas

JUNIOR STEWARD

Seasons greetings and a happy new year! It is both an honor and a privilege for me to have been appointed to serve the Brethren as Junior Steward of Ashburn-Sterling Lodge No. 288. I look forward to maintaining or exceeding the standards set by my predecessors. Yours in service,

Bro. Joel A. Chapman (Skip)

CHAPLAIN

The wise old owl lived in an Oak; the more he saw the less He spoke; the less He spoke the more He heard- why can't we all be like that bird? **Why do we want to be like the Wise Old Owl?** First of all because he's Wise and Old. You don't get to be old being a fool. **Why do we want to be like the Wise Old Owl?** Because he knew about the power of the tongue and how to control it. He knew that the tongue is a little member, and is capable of boasting great things. **Why do we want to be like the Wise Old Owl?** Because he knew that Faith comes by hearing and hearing by the Word of God.

This is my prayer for Masons this year- that we open our eyes and become more aware of those seeking Light, control our tongues and be more ready to hear than to give the sacrifice of fools. That God will speak a word of Faith, Hope and Encouragement into our lives today so that we may replant that word into the lives of others with the prayer that like in ourselves it will reproduce itself throughout the world eternally. We Serve for His Sake. Yours in service.

Bro. Michael A. Washington

MUSICIAN

In a previous month, I mentioned that music uses the whole brain. Therefore music can be an effective tool for treating neurological impairments. Studies using brain imaging have shown that both listening to and making music stimulates the wide regions of the brain that are typically involved in emotion, reward, cognition, sensation and movement. Music with a strong beat encourages movement which can help improve circulation, brain health, and fine and gross motor functions. It can induce positive moods which may in turn increase the rate of change in the brain, speeding rehabilitation. Music is engaging, so patients are highly motivated to participate with enthusiasm, focus and dedication. It promotes synchronization which can be used to improve coordination in people with strokes, Parkinson's disease, and other brain disorders. Musical activities can be a collective experience which helps in recovery, rehabilitation and coping. Lastly music is personal and can evoke memories and help individuals maintain a sense of identity. Allow music to positively affect your life. Yours in service.
